Dear Friend of Thetford Elementary School:

My boys didn't just walk off the school bus yesterday – they *marched*. They were singing a song that my second-grader had been rehearsing all week for “Senior Day” at the elementary school, and they arrived at the door short of breath but long on stories of the people they had met.

Senior Day is just one of the many events and activities that TES hosts throughout the year. They help to bring us together as a community in new and exciting ways. The PTO keeps residents informed of the goings-on at TES through our bi-annual newsletter. We send copies to all the households in town and distribute them at our libraries, businesses, and municipal centers.

Our volunteers are already preparing our winter newsletter and we hope you will once again help us with your financial support. *These newsletters are made possible by the generous donations of local individuals and businesses.* We couldn't publish a word without you!

We have enclosed a donation form with suggested levels of giving, but please give what you can; every bit helps. Donations may be made by either returning the form to Thetford Elementary School or mailing it to the address below. Our patrons are recognized in each issue of the newsletter.

Please do not hesitate to contact us if you have any questions. On behalf of the PTO and all of our kids, thank you for marching with us – and happy holidays!

Sincerely,

Laurel Mackin
